

Sumter Sept 6. 1865.

Dear Governor—

I trust you safely
reached Spartanburg, &
found things more quiet
than supposed. I regret
that your stay was ne-
cessarily so short here,
and trust you will again
favor us with a visit.

If your mind still
unchanged as to the
place of meeting of the Le-
gislature? The "Alabama"
shall be reserved for you.

In Truly,

Yours,
J. M. Magrath.
