

The State of South Carolina }
Abbeville District }

To His Excellency A. G. Magrath, Governor of
of the said State.

The undersigned citizens of Abbeville District
respectfully make application for the Exem-
-tion of detail of Edwin Parker M. D. from
military service beyond the limits of the District.
The said Edwin Parker is a practicing physician
residing at Abbeville C. H.; exempted from
Confederate service.

The said Edwin Parker is also the owner and
proprietor of a Drug Store in the Town of Abbeville
in which has been kept, at all times, such
• necessary Drugs and Medicines as the times
will admit of and to the preparation of which, as
Apothecary and Druggist the said Edwin Parker
has given much of his time and attention, and
also personal attendance in the Store.

The Stock of Drugs in the said Store, is now the
largest and most generally selected in the Town of
Abbeville and, it is believed in the District, certainly
on the Savannah side of the District and the said
Store is a great benefit and convenience to the
people of the District. The only other Drug Store
in Abbeville is but imperfectly supplied and
irregularly kept open in consequence of the
failing health of the proprietor.

The undersigned respectfully state that they
believe the taking away of the said Edwin Parker
into Military Service would necessarily result
in the closing of the said Store, thereby depriving
the Community of the facilities for procuring neces-
-sary and suitable Drugs and Medicines.

and thereby cause great inconvenience and
annoyance to the citizens of the District
The undersigned respectfully hope their applica-
tion will be granted —
