

Georgetown S. C.
May 30th 1865

To His Excellency
Gen A. G. Magrath
Columbia S. C.

Sir:

At the late Session of
the Legislature I was ap-
pointed a Commissioner
of the Board of Soldiers
Relief for the Parish of
Prince George Winyah
for the year 1865. Being
attached to a company
of Reserves stationed at
this Post, I applied to the
proper Military Authorities
for my discharge therefrom

in order that I might
take my place as a mem-
ber of said Board; but
from Genl Chesnut's endorse-
ment upon my application
which has been returned to
me, and which I herewith
enclose to you, it appears
that the application should
be made through your
Excellency to the Secretary
of War. I would therefore
respectfully submit the
matter to your Excellency's
attention with the re-
quest that you will be so

such action in the premises
as the nature of the case
may require.

Very Respectfully
